OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 12078 Enc 3
----- 670

Bangalore 21st April 1913

From M Shama Rao Esq M A
Offg Inspector General of Education in Mysore

To
C S Balasundaram Iyer Esq B A
Secretary to the Government of His Highness the
Maharaja of Mysore Departments of Education &c

Sir

I have the honour to forward herewith for favourable consideration copy of a petition dated 5th March 1913 from D Viswanathaiya a Mysore scholar on Rs 30 per month in the Electrical Engineering Section of the Indian Institute of Science with copies of testimonials from Professor Alfred Hay D Sc M I E E applying for an extension of his scholarship for two years from July 1913 at the increased rate of Rs ₹ 50/- per month in India and £200 per year outside to enable him to continue his studies at the Institute for one year and afterwards to undergo practical training in a large Manufacturing Firm either in Europe or America for two years D Viswanathaiya was granted a special scholarship of Rs 30/- a month for one year with effect from 1st July 1912 by Government Order No 3338-40/ Edn 21-12-4 dated 6th November 1912 to enable him to continue his studies in Electrical Engineering at the Indian Institute of Science Bangalore * His progress as will be seen from the report of Professor Alfred Hay is satisfactory The Professor recommends him as a suitable candidate for a Damodar Das scholarship Under these circumstances I request that Government may be pleased to sanction the continuance of the scholarship of the student at the increased rate of

Rs 50/-

Rs 50/- a month from the Damodar Das scholarship Fund for one year with effect from 1st July 1913 The question of granting him a Damodar Das foreign scholarship may be considered latter on when the Budget submitted to Covernment with this office letter No 11985-6/661 dated 17 4 1913 is approved

I have the honour to be,

Sir,

Your most obedient servant,

Offg Inspector General

T N R

Exc 65
Con 21-12-5

To

The Inspector General of Education in Mysore
Bangalore

Sir

After keeping two terms for the B A at the Central College Bangalore I went to Bombay to study Electrical Engineering at the Victoria Jubilee Technical Institute and passed out with honours and diploma I joined the Cauvery Power Scheme and after one year's service I was recommended by Mr H P Gibbs for a Damodar Doss Scholarship to go to the Union College in America For want of a vacancy I was given a special scholarship of Rs 30 a month for specialising in Electrical Engineering at the Indian Institute of Science Bangalore I have been at the Institute for nearly two years and Dr Alfred Hay recommends another year's stay here and one year's practice in a large manufacturing firm either in Europe or America as a final course for the completion of study

As the term of the special scholarship awarded to me expires by the end of June 1913 I take the liberty of bringing to the kind notice of the Government my prayer for the award of a Damodar Doss Scholarship for two years from the 1st of July 1913, to enable me to complete the course of studies commenced two years ago

In praying for additional help by the sanction of a Damodar Doss Scholarship, I beg to state that the cost of living and purchase of books and other accessories could not possibly be met unless the amount of the scholarship is raised

Under these circumstances I pray that some consideration might be shown to me as I have already undergone about five years' course of training in Electrical Engineering and one year's experience in the Power Station The proposed two years' additional course will I am sure be highly beneficial to the knowledge hitherto acquired by me My case would be the first in which the preliminary theo-

retical

theoretical and practical training will all have been completed in India leaving only the finishing course of one year to be spent in work and attendance in large manufacturing firms in foreign countries

In conclusion I beg to state that I have made the best use of the opportunities given to me for study at the Indian Institute of Science

I beg to remain
Sir
Your most obedient servant

(Sd) D Viswanatha Ayya
